

times, she was followed out into the alleys and chased, but so far no one had been able to catch her.

The silver bracelet she'd hoped to sell had been stolen her first night out of the castle, along with her bundle of good clothes, snatched while she slept in a burnt-out house off Pig Alley. All they left her was the cloak she had been huddled in, the leathers on her back, her wooden practice sword... and Needle. She'd been lying on top of Needle, or else it would have been gone too; it was worth more than all the rest together. Since then Arya had taken to walking around with her cloak draped over her right arm, to conceal the blade at her hip. The wooden sword she carried in her left hand, out where everybody could see it, to scare off robbers, but there were men in the pot-shops who wouldn't have been scared off if she'd had a battle-axe. It was enough to make her lose her taste for pigeon and stale bread. Often as not, she went to bed hungry rather than risk the stares.

Once she was outside the city, she would find berries to pick, or orchards she might raid for apples and cherries. Arya remembered seeing some from the kingsroad on the journey south. And she could dig for roots in the forest, even run down some rabbits. In the city, the only things to run down were rats and cats and scrawny dogs. The potshops would give you a fistful of coppers for a litter of pups, she'd heard, but she didn't like to think about that.

Down below the Street of Flour was a maze of twisting alleys and cross streets. Arya scrambled through the crowds, trying to put distance between her and the gold cloaks. She had learned to keep to the center of the street. Sometimes she had to dodge wagons and horses, but at least you could see them coming. If you walked near the buildings, people grabbed you. In some alleys you couldn't help but brush against the walls; the buildings leaned in so close they almost met.

A whooping gang of small children went running past, chasing a rolling hoop. Arya stared at them with resentment, remembering the times she'd played at hoops with Bran and Jon and their baby brother Rickon. She wondered how big Rickon had grown, and whether Bran was sad. She would have given anything if Jon had been here to call her "little sister" and muss her hair. Not that it needed mussing. She'd seen her reflection in puddles, and she didn't think hair got any more mussed than hers.

She had tried talking to the children she saw in the street, hoping to make a friend who would give her a place to sleep, but she must have talked wrong or something. The little ones only looked at her with quick, wary eyes and ran away if she came too close. Their big brothers and sisters asked questions Arya couldn't answer, called her names, and tried to steal from her. Only yesterday, a scrawny barefoot girl twice her age had knocked her down and tried to pull the boots off her feet, but Arya gave her a crack on her ear with her stick sword that sent her off sobbing and bleeding.

A gull wheeled overhead as she made her way down the hill toward Flea Bottom. Arya glanced at it thoughtfully, but it was well beyond the reach of her stick. It made her think of the sea. Maybe that was the way out. Old Nan used to tell stories of boys who stowed away on trading galleys and sailed off into all kinds of adventures. Maybe Arya could do that too. She decided to
